

Pollinator WEEK

June 22-28, 2026

Earn Your Pollinator Patch Monday, June 22 10 a.m. at the Meeting House

Discover the importance of pollinators in our communities and practical ways you can help protect and preserve pollinator populations. Kids will complete fun activities and learn what pollinators do, why they are important and how they can help protect pollinators!

visit www.southcarolinaparks.com or the park office to register by June 21.
